Metal spikes are not allowed in order to improve the playing conditions on the golf course.

# RULES AND EVENT GUIDELINES

## GOLF "SCRAMBLE" RULES

The event will be a "shotgun start," i.e., all teams will tee off at the same time on different holes and proceed to play a full round of golf (18 holes).

The format of the event will be a "scramble." All team members will tee off on each hole and select which tee shot they like best. The team will then place a mark on that spot. The other players will pick up their balls, and all team members will hit their next shot from within one club length (no closer to the hole) of the marked spot. This procedure is followed on every shot for the hole, but if the selected shot is on the green, players do not get one club length. The first ball to go in the hole is counted for the team score.

If the ball you choose to play is in a hazard (sand, water, etc.) or the rough, you cannot drop the ball outside of the hazard or rough even if relief is within one club length away.

Each team MUST USE one of each of the team member's tee shots on both the front nine and the back nine. Please make a note on the score card to indicate whose tee shot was used on each hole.

## INDIVIDUAL CONTESTS

### Longest Drive (Men and Women):

The holes for the men's and women's longest drive contests will be designated on the day of event. If your drive is the longest, write your name on the marker card and place the marker in the ground on the spot where your ball came to rest. The ball must be in the cut fairway to count. Once the marker has been placed in the ground, it should stay there until someone else hits a longer drive.

### Closest to the Pin (Men and Women):

The holes for the men's and women's closest to the pin contests will be designated on the day of competition. If your tee shot is on the green and closest to the hole, write your name on the marker card and place the marker in the ground on the spot where your ball came to rest. Use the flag stick as a measuring rod if it is a close call.

### Longest Putt:

The hole for the longest putt will be designated on the day of competition. If your putt is the longest, write your name on the marker card and place the marker on the spot you putted from. The ball must be on the green to count. Use the flag stick to measure if it is a close call.

## ADVANTAGES AVAILABLE

On the day of the event, several "advantages" will be available for purchase (CASH ONLY) as outlined below. 100% of the proceeds from purchasing these advantages will be donated to the IPLAC Scholarship Fund—please help support a great cause!

### Mulligans (\$15 per Mulligan; max of two (2)

**mulligans per player):** players may purchase a "mulligan" to re-do a shot that they just hit. CANNOT BE USED FOR LONGEST DRIVE, CLOSEST TO THE PIN, OR LONGEST PUTT CONTESTS.

### Shot String (\$40 for eight (8) feet of string; max of one (1) per group):

a group may purchase an eight-foot length of string to assist with certain shots during play. To use the string, a group may move the ball selected for the next shot a specified length corresponding to a length of the string, and once moved, must then mark or cut the length of string used (such that the portion of the string used may not be used again). This may be used to move the ball closer to the hole, and may be used on greens. CANNOT BE USED FOR LONGEST DRIVE, CLOSEST TO THE PIN, OR LONGEST PUTT CONTESTS.

## PRIZES

Groups will be selected to choose prizes from the "prize table" in the following order:

1. First place team;
2. First place team (co-ed);
3. Second place team;
4. Second place team (co-ed); and
5. Random raffle for remaining groups (including Field Games participants).

Prizes will be separately awarded for winners of the longest drive, closest to the pin, and longest putt contests.

# SPONSORSHIP OPPORTUNITIES

**Your donations and support are essential to the success of the outing!** We are hopeful that you can contribute to one or more of the sponsorship opportunities outlined below. However, if you would not like to purchase a sponsorship below, you can also contribute any amount you see fit! Every donation helps, and we appreciate your support of the event. An early commitment is necessary to allow the committee to properly budget for the purchase of prizes. If a donation of merchandise is planned, please contact Field Day Chairperson Evan Kline-Wedeen at (312)-569-1108.
